Ronda

Alexandre Dumas, Ernest Hemingway, Orson Welles and many other artists have described, in their works or writings, the strong sensations provoked by their discovery of the town of Ronda, in Spain. The very unusual geography of this Andalusian city, divided in two by the Rio Guadalevin abyss, will not leave anyone indifferent.

2 VILLAS NEAR THE HISTORIC TOWN OF RONDA

Ronda is an amazing city with a complex history, which has been under numerous influences. Its well-preserved surroundings are also scenic and must-see. Here, things are like nowhere else; everything is strangely poetic, dreamlike, almost supernatural.

Villas are located a few kilometers from the historic center, away from the crowds and city bustle.

VILLA HACIENDA
BODEGUERA

VILLA RONDA
MOUNTAIN RESORT

Ronda

Where is it located?

The distance from Ronda to Malaga, the administrative center of the province, is 113 km.

The city is located at an altitude of 723 m above sea level, in the mountains, 50 km north of Marbella and the Costa del Sol.

VILLA HACIENDA BODEGUERA

Once you enter the security close-gated complex, you'll feel like you're in your own private wine land in Tuscany. The stunning contemporary interiors of Hacienda Bodeguera in Ronda with modern furnishings, perfectly integrating the exterior as part of the house, create sophisticated yet comfortable spaces where the whole family can relax.

FEATURES & AMENITIES
