# DISCOVER

Tucked into the shores of the Gulf of Oman and surrounded by vast desert and jagged mountains, Muscat — Oman's port capital — is rich with cultural history.

Sixteenth-century fortresses, ornate mosques and museums full of ancient artifacts pair architecture with history for a fascinating experience. And, given its location on the gulf, the city also has a vibrant tradition of fishing and seafaring.

Muscat translates to “safe anchorage,” and beaches stretch from town all the way to Oman's border with the United Arab Emirates, some 200 kilometres away.

It's a place of incredible beauty and heritage, and Al Bustan Palace, a Ritz-Carlton Hotel, is the perfect place to begin your adventure in Muscat.
